December 12, 2019

Dear Parents,

In our feature collection until the December holiday we have books for the December holidays! There are books and DVDs about Kwanzaa, Christmas, Hanukkah and New Year’s. Please come in and check them out!

In a few months, we’ll be doing a bulletin board entitled “Where do you read?” In preparation for this we’d like to ask you to send us your photos of your kids reading. Be creative! Could be on a beach, on the ski hill, in a tent, in the plane… All photos sent in will go on the bulletin board. Please send photos to Mrs. Henry - lhenry@jisedu.or.id

Looking for a great “JIS” gift for your family? Look no further than the JIS tote bag! Bags are 50,000 IDR and are on sale in the PEL library. Pop into the library and pick yours up at the Circulation desk!

The December holidays are soon upon us and though we will be closed for part of the holiday, we will be open in January! Holiday hours are as follows:
Friday, January 3 - 9:00-3:30
Monday, January 6- Friday, January 10 - 7:15-3:30

These hours also apply for the HS, MS and PIE libraries. We will be closed from December 21-January 2. If you’re around Jakarta during the holidays, we hope to see you at the library!
This week’s **iPad app of the week** is: PIC COLLAGE

**app name:** Pic Collage  
**cost:** FREE

This week’s app has been around a while and is used a great deal by teachers and students. Pic Collage is an easy way to do photo editing and graphic design. You can create fun designs combining photos, text, drawings and stickers. The app is intuitive and fun to use; it’s like Photoshop for your fingers! You can have so much fun with this with all of your holiday photos! I highly recommend PicCollage be on all of your devices!

Yours in photo fun,

Leslie Henry & the library team
